

RE: SUBMISSION MATERIALS

1. I wish to submit to you certain material (the "Submission Materials"), which may include ideas, written work and other creative work such as proposals for programs for television and motion pictures in outline, treatment, script or other form, and which may be solicited or unsolicited. I enclose a complete list of the Submission Materials.
2. I recognize that you or others may have originated and/or have had submitted to you by other persons, or made public, similar or identical materials and that identity or similarity of submitted material has in the past given rise to disputes. You have informed me that you will not examine or consider the Submission Materials unless you obtain complete protection against any claim with respect thereto.
3. I request you to examine and consider the Submission Materials, and that if you find merit and originality to contact me.
4. In order to induce you to do so, I agree as follows: a) to negotiate in good faith the terms under which you might exploit the Submission Materials if you believe them to have merit; and b) I will not at any time assert any claim that you, your affiliates, your and their officers, agents or employees have unlawfully used the Submission Materials. Accordingly I hereby release you, your affiliates, your and their officers, agents or employees from any and all liability and obligation in connection therewith.
5. I represent and warrant to you that the Submission Materials are original; that they do not contravene the rights of person; that I own or control them; that no one else has any rights in them; and that if I am submitting them on behalf of a company, I have authority to bind the company.
6. I have retained a duplicate of the Submission Materials.
7. I acknowledge that your receipt of the Submission Materials does not obligate you to treat them as confidential.
